

Test Out of Training Option – If there are any providers within your department/section/etc. with previous Epic experience they can choose to test out of the eight hours of provider training. Please send the names of any providers or staff in this situation who would like to test out to OneChartTrainingRequests@nebraskamed.com. We will then arrange a time for them to come take the test out.

Read Only Access- If there are any providers or staff within your department/section/etc. who only will not be charting/documenting in One Chart and will only need read only access please submit a Service request ticket [here](#) so that security can activate their Read Only access. If you have any questions please email OneChartTrainingRequests@nebraskamed.com.
